

Volunteer & Donation Opportunities

Mission

The purpose of the Hercules Education Foundation is to assist and enhance educational opportunities for students in Hercules public schools. We raise funds through contributions from individuals, organizations, businesses, and institutions. The funds raised are donated to the expressed needs of our city’s public schools to enhance the quality of the classroom experience.

How we Help

Since 2008, HEF has provided an alternate source of funding for teachers to supplement their classroom needs and enhance our children’s educational experience. For example, HEF has funded classroom computers, calculators, tablets, document cameras, books and materials, science equipment, student planners, garden projects, class trips, and career programs.

How you can Help

If you’re a parent or community member and want to help make the small changes that make a big difference to teachers and students, please consider donating \$50, \$20 or \$10 to help us continue supporting innovative classroom projects like those mentioned above. To make a donation or volunteer, please complete the reply form below and leave with us or mail to the address on the letterhead. Or, you can make a donation online at www.herculeseducationfoundation.org. If your employer has a matching gift program, please request a match to double your impact. You can also give back to our schools when you shop by participating in the Shares program for local businesses such as Lucky Supermarket. Just sign up for Lucky You Rewards at luckysupermarkets.com and then designate HEF (Group ID 500825696) as the recipient nonprofit organization at eScrip.com.

We deeply appreciate your partnership with HEF and hope to see you at upcoming meetings and events.
