Your donations large and small make it possible for our community to support our schools and teachers by helping to make sure the best teaching ideas come to life. We understand the potential of a great teacher can only be realized when they have the support they need in materials, logistics, teaching aides or classroom enhancements. Our K-12 students are our crown jewels, and your help will ensure they thrive in the classroom.

*Thank you!*

The purpose of the Hercules Education Foundation is to assist and enhance educational opportunities for students in Hercules public schools. We raise funds through contributions from individuals, organizations, businesses, and institutions. The funds raised are donated to the expressed needs of our city's public schools to enhance the quality of the classroom experience.
