Thank you for your support! 🙌

Your donations large and small make it possible for our community to support our schools and teachers by helping to make sure the best teaching ideas come to life. We understand the potential of a great teacher can only be realized when they have the support they need in materials, logistics, teaching aides or classroom enhancements. Our K-12 students are our crown jewels, and your help will ensure they thrive in the classroom. Thank you!

The Hercules Sensory Garden is testament to how the five senses most of us take for granted—to see, to hear, to smell, to taste, and to touch—can help us develop, to grow, as human beings. And just as importantly, it shines a spotlight on all that is possible when even the tiniest community makes up its mind, bands together and creates.
